

**“Therefore if any man be in Christ,
he is a new creature:
old things are passed away;
behold, all things are become new.”**

2 Corinthians 5:17

Walk by Faith is a group of men that meet every week. We are not the group that pretends to have it all together. We are just a group of guys having a great time in the presence of the Lord who can help us put all the pieces in place. We have guys who are addicts, homeless, those looking for someone to hold them accountable for their activities of the week, youth looking for some leadership from other Christian men. We may not have all the answers but we know someone who does. In fact He not only knows the answers, He made up the questions. If you are a guy seeking to work on your walk with Christ, this is the place for you.

The Walk By Faith Men’s Group meets every Monday evening from 7:30-9:00 pm. This is a men’s accountability group and is open to the public. These men keep one another accountable for their actions during the week they have a meal, worship through music, and bible study time. Many of these guys are recovering from drug and alcohol use.
